RESEARCH PARTICIPANT CONSENT FORM
Lindsey Meyer Teen Institute Evaluation Project

Purpose of Research

The purpose of this research is to determine the effectiveness of the Lindsey Meyer Teen Institute in reducing risk behaviors and increasing protective factors in LMTI participants.

Specific Procedures to be Used

This year, LMTI will conduct a multi-question survey which will be given during the YAC training process and again following the conclusion of trainings/the conference. The surveys will be anonymous. A code will be used to match each survey pre- and post for purposes of statistical analyses. No names or identifying information will be used.

Duration of Participation

A typical survey is approximately 50 questions in length and takes about 15 minutes to complete. Each YAC will be asked to complete 1 survey while at YAC trainings, and 1 survey at the conclusion of trainings/the conference. The YAC also may be asked to complete the same survey 3-6 months after completion of the program.

Benefits to the Individual

The results of this survey will help shape the content of future Lindsey Meyer Teen Institute events and programs. Participation in this survey will help enhance Lindsey Meyer Teen Institute and help other youth in the future.

Risks to the Individual

There are no known risks and no more than the participant would encounter in everyday life. If they do not like a question, they can skip it.

Confidentiality

Participants will not be identified by name in any of the surveys. A tracking code will be used to match pre- and post-tests to each other. This code will not be used to identify participants in any way. All data will be housed at the Lindsey Meyer Teen Institute/Partners in Prevention office and will only be available to the evaluators and LMTI staff.

Since this study involves persons under 18 years old and/or will ask questions to any participants about family life and/or children, you should know that New Jersey requires that any person having reasonable cause to believe that a child has been subjected to child abuse or acts of child abuse shall report the same immediately to the Division of Children Protection & Permanency (DCP&P).

Voluntary Nature of Participation

I/my child do not have to participate in this research project. If I/my child agree(s) to participate, I can withdraw their participation at any time without penalty.

Human Subject Statement:

If I have any questions about this research project, I can contact Jamie Sierfeld, LMTI Director at 201-696-0368. If I have concerns about the treatment of research participants, I can contact the Lindsey Meyer Teen Institute at 110B Meadowlands Parkway, Suite 302, Secaucus, NJ 07094 or via email at jamie@lmtinstitute.org.

YMCA Camp Mason conducts its programs with the best interests of its participants in mind and has taken reasonable steps to provide appropriate equipment and well trained staff for these programs. However, these programs do have inherent risks and although safety procedures have been established to minimize these risks not all risks and hazards can be eliminated due to the nature of the activities offered.

Living in the natural environment can be unpredictable. Some of the possible risks include contact with wildlife, falling, cuts, burns, bruises, sprains, fractures, falling trees, falls during climbing, falling rocks during climbing, tipping over a canoe, falling into the water, drowning, near drowning, hypothermia, unpredictable weather conditions. All of these risks may result in injuries to the participant. I understand that Camp Mason's intent is not to frighten me but wants me to be fully informed of all the risks. I understand that the risks listed above are not complete and that there are other risks that exist.

The potential of contracting Lyme Disease increases in rural settings such as Camp Mason. We encourage all participants to check themselves regularly for ticks and to be educated on the signs and symptoms of Lyme Disease, which may occur days or months after an encounter with a tick.

My signature below indicates that I fully understand the nature of the program at YMCA Camp Mason and I freely wish to participate. I know of no legal, physical or health reason why myself and/or my child cannot fully participate in the program that I am registering for. I agree to assume responsibility for the inherent risks identified herein and to those risks that are not specifically identified. I understand that it is my responsibility to participate in a safe manner, doing my best to follow the safety instructions provided to me by the Camp Mason staff. I agree not to do anything that jeopardizes me or other members of my group. I (and my parents/guardians if I am a minor) assume and accept full responsibility for me and for injury, death and loss of personal property and expenses suffered by me as a result of those inherent risks and dangers identified herein, and those not specifically identified, as a result of my negligence or the negligence of others participating in the activity.

My signature authorizes the management and staff of YMCA Camp Mason to act for me according to their best judgment in the event of a medical emergency and/or routine medical care. By my signature I hereby waive, release and hold harmless the YMCA, its management, volunteers, agents, and staff from any and all liability for any injuries, death or illness sustained and/or incurred while at Camp and /or while using any facilities of, or participating in any of the activities of YMCA Camp Mason. I grant permission for emergency medical treatment and/or routine medical care by the YMCA camp staff, a rescue squad, private physician and/or hospital or emergency health care facility staff, under the same circumstances as above, if needed. Any such action will be taken in the best interest of my child and will be reported to me as soon as possible. My signature waives and/or releases YMCA Camp Mason from any and all liability and/or financial responsibility for any medical expenses incurred.

In consideration of having myself or my minor child or ward participate in the Outdoor Center program to be offered by YMCA Camp Mason, I agree to waive and release all future claims, demands or causes of action which the undersigned and/or such participant might have by reason of any loss, damage, expenses, injury or death arising out of or in any way connected with such person's participation in such program. I further agree to indemnify and hold harmless YMCA Camp Mason, their agents, officers, directors, employees and volunteers from and against any such claim, demands or causes of action.

By signing below, I acknowledge that it is understood that YMCA Camp Mason is a non-profit corporation, organized exclusively for charitable and educational purposes, and as such, is immune from liability for the negligence of its agents, servants or employees under N.J.S.A. 2A:53A-7.

I give YMCA Camp Mason permission to use any photographs taken of myself and/or my child while participating in programs at Camp Mason.
